

NOTICE OF RACE

Canandaigua, New York RC Laser Fleet 14

SQUAW ISLAND RACE

May 28, 2011

Rules: The regatta shall be governed by the rules as defined in *The Racing Rules of Sailing* as amended by Appendix E for RC sailing, prescriptions of US Sailing, class rules of the RC Laser Class of North America and further Sailing Instructions as mandated by the Race Director (RD) who also has the authority during the course of the event to make changes which will be announced to the competitors.

Eligibility: The regatta is open to all RC Lasers conforming to RC Laser Class Rules.

Race Summary:

- Boats will remain out of the water between the Skippers Meeting and the Start
- The south concrete dock is designated as the start and finish dock.
- At the start, skippers on the starting dock will place their boats in the water and sail north on Canandaigua Lake towards Squaw Island, about 1 mile away.
- Skippers will need to get in a chase boat, follow their RC Laser and sail it around Squaw Island (or based on the decision of the RD, a mark just south of the island at approximately Lat/Long N42.869918, W077.275702) and then back to the yacht club.
- Boats will finish when the skipper is on the finish dock and then retrieves their RC Laser from the water after successfully completing the course.
